

M-FUGE®

Build. Feed. Teach. Serve.

Dear Parents & Youth,

You may have already read in the church or youth newsletter about our upcoming mission camp this summer. We are signed up to attend a M-Fuge camp June 28 – July 2, 2010. We have reserved 25 spots for students and our 5 adults youth leaders as well. The cost for the camp is \$249 plus our transportation, and parents will be asked to cover the cost for their camper, but before you panic, we are here to help. Again this year we are offering what we think will be a great fundraiser opportunity by which your student possibly raise all the money they will need. We call it “Take Stock In Missions,” and more information about it and other fundraising opportunities will be coming soon.

Please talk with your student about this trip soon, as the space is limited, and they will need to start fundraising soon. I believe this will be a great opportunity for a number of our students who have never had any missions experience to take part in a hands on encounter of service and love. Mission trips can change perspectives, they can challenge beliefs, and can lead to a greater understanding of God’s calling on individuals lives, in addition to all the benefits of group building and bonding.

Prayerfully consider the information and return the enclosed participation request form by **February 1st along with a \$50 non-refundable deposit**. Information will be coming soon on how to go about raising your support for this trip. The “Take Stock” fundraiser can be a great way for your student to experience something that many missionaries have to do, raising their own support, have them go to neighbors, friends, and family, all will be invited to the Dessert to see what their “missionary” did on the trip.

All forms for M-Fuge can be found online at www.wesleychapel.org under the student section or you can get them from me directly by email or in person. If you have any questions at all, don’t hesitate to call or email me. Keep your eyes on the church bulletin and newsletter for more information.

In Christ,

Chad Wilkin
Youth Pastor
