

## Positive Discipline

All servants in the Reign Forest are background checked, have references given, and are trained. We have department “overseers” who check on the classes at all hours, help with discipline and give tips to the servants in the classrooms.

## Discipline Policy

### Preschool Department

1. Use kind words.
2. Listen when someone else is talking.
3. Obey directions the first time.
4. Raise your hand if you want to talk.
5. Use an indoor voice.

### Negative Consequences

1. Receive a verbal warning.
2. Attend a conference with the overseer and teacher.
3. Time-out away from the group.
4. Contact parents.
5. Have an understanding (whether contract for older Children) for appropriate plan in action with teacher.

### Positive Consequences

1. Learn about and please God.
2. Know you have done a good job!
3. Get a “Hooray” and good report to the parent.
4. Surprise celebration! (such as a treat or reward)

## Time-Out Checklist for Child

This is the place for you to rest and get ready to rejoin the class when needed.

1. Take several deep breathes to help you relax.
2. How are you feeling right now?
3. Why are you feeling this way?
4. What choice did you make that brought you to the time-out chair?
5. What would have been a better choice?
6. What choices do you need to make in order to rejoin the class successfully?
7. When you feel calm and ready to follow our rules, you may rejoin the class.
